RE: Notice of final determination in the antidumping duty investigation of circular welded carbon-quality steel pipe from the Sultanate of Oman (A-523-801)

1. On 10/22/2012, Commerce published in the Federal Register (77 FR 64480) its final affirmative determination of sales at less-than-fair-value in the antidumping duty investigation of circular welded carbon-quality steel pipe from the Sultanate of Oman (77 FR 64480).
2. The products covered by this investigation are described in message 1334304 dated 11/30/2011.
3. This investigation has been assigned investigation number A-523-801.
4. For imports of circular welded carbon-quality steel pipe from the Sultanate of Oman, CBP shall continue to suspend liquidation of such shipments entered, or withdrawn from warehouse, for consumption on or after 06/01/2012. Effective 10/22/2012, CBP shall require, for such entries, a cash deposit or the posting of a bond equal to the margins for the producer and/or exporter listed in the company-details table appended to the bottom of this message.
5. If any entries of this merchandise are exported by a firm other than the manufacturer, then the following instructions apply:
 - A. If the exporter of the subject merchandise does not have its own rate but the manufacturer has its own rate, the cash deposit or bonding rate will be the manufacturer's rate.
 - B. Where neither the exporter nor the manufacturer currently has its own rate or the manufacturer is unknown, use the all-others rate of 5.81 percent to establish the cash deposit or bonding rate.
6. In accordance with T.D. 85-145, at the discretion of CBP, CBP officers may accept either a single-entry basic importation and entry bond or a continuous basic importation and entry bond only if the amount of the estimated antidumping duty is less than five percent ad valorem (or the equivalent). Otherwise, where the importer has the option to post a bond for estimated antidumping duties, CBP officers must require a single-entry basic importation and entry bond

pursuant to T.D. 85-145. You are instructed to adhere to the requirements of T.D. 85-145 with respect to these bonding requirements.

7. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by O7:EU)

8. There are no restrictions on the release of this information.
